

**UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF WISCONSIN**

**JOHNSON CONTROLS, INC.,
Plaintiff,**

v.

Case No. 11-CV-00928

**EDMAN CONTROLS, INC.,
Defendant.**

DECISION AND ORDER

On May 14, 2012, I entered final judgment in favor of Edman Controls, Inc. ("Edman") and ordered Johnson Controls, Inc. ("JCI") to pay Edman \$733,341.64 pursuant to that award, plus \$23,042.16 in prejudgment interest. JCI now moves for an order staying execution of the judgment while its appeal is pending before the Seventh Circuit and permitting it to post a supersedeas bond in the amount of \$870,341.37. Since Edman has not filed a brief in opposition to this motion, I will grant it. See Civil L.R. 7(d).

THEREFORE, IT IS ORDERED that JCI's motion to stay execution pending appeal and fix supersedeas bond [DOCKET #25] is **GRANTED**.

IT IS FURTHER ORDERED that Edman's motions for writs of garnishment [DOCKET #14, 33] are **DENIED**.

Dated at Milwaukee, Wisconsin, this 11th day of July 2012.

s/ Lynn Adelman
